

*Dear Colleagues and Friends,*

It is a great pleasure for us to invite you to participate in Symposium on modern trends in agricultural higher education, which will take place in Chisinau, Republic of Moldova on 5<sup>th</sup>-6<sup>th</sup>, October 2023.

The symposium is established as an interdisciplinary forum in agriculture, horticulture, forestry and environmental sciences, providing opportunities for the exchange of knowledge, expertise, ideas and excellent networking.

A wide range of scientific topics will be covered, such as agronomy, genetics, plant breeding and biotechnologies, agroecology, horticulture, forestry and plant protection, animal husbandry and food safety, veterinary medicine, agricultural engineering, food engineering, agribusiness economics and rural development, etc.

The conference welcomes scientists, researchers, teachers and students as well as professionals in the field, to establish new collaborations and contacts, to present and discuss their findings.

*On behalf of the Organizing Committee,*

**Dean, Faculty of Agricultural, Forestry and Environmental Sciences**

**Sergiu POPA, Dr. associate professor**
